

Current Shelter Planning for Hurricane Irma – Alabama

- American Red Cross (ARC) has shelters open at the following two locations:
 - Alabama State University Acadome in Montgomery, AL.
 - Baldwin County Coliseum in Robertsdale. (Baldwin County will shelter evacuees for both Mobile and Baldwin at this time) As shelter locations reach capacity we will coordinate opening **additional shelter(s)**.

Baldwin County Coliseum, 19477 Fairground Rd, Robertsdale,
AL Contact: 251-947-3247

- Evacuees in need of an ARC shelter should contact the American Red Cross at 1 800 RED CROSS (1-800-733-2767) **or call 211.**

As stated above, we are coordinating sheltering along the primary evacuation routes. Please assist by communicating these shelter locations to evacuees and any first responder who may come into contact with evacuees.

We understand there is a lot of interest in resources available for Florida evacuees, here is a link to the latest information we have received from the American Red Cross, local officials and others regarding shelters that are available. Link to other State opened Shelters:
