Subject: IMPORTANT Workday Update

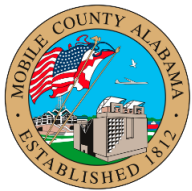

Workday Users:

We are implementing Workday with a soft launch beginning Monday, July 24, 2023. This means that various groups across Mobile County will be onboarded daily over the next 2 weeks. All users will **NOT** have access on Monday, so please watch for communication over the next few weeks regarding login access.

In the meantime, please review training materials and how-to guides at [Workday: Home](#).
