

Transition to workday®

Increase Efficiency • Improve Operations

Mobile County has been using Workday for Financial Operations since the summer of 2022.

HR/Payroll is on track to go *live* summer 2023

what?

Workday for HR/Payroll is one system that managers and employees will use for time entry, absence management, benefits and more.

why?

Workday will improve operations and increase efficiency across our organization.

how?

Communication and training will be provided, so we're all ready for the switch. Be on the lookout for more info.
