## GENERAL INFORMATION

Mobile County and the municipalities that have elected to be part of the Mobile Urban County are collectively recipients of Community Planning and Development formula grants from the United States Department of Housing and Urban Development (HUD). The Urban County receives Community Development Block Grant (CDBG), Home Investment Partnership Program (HOME), and Emergency Solutions Grant (ESG). These grants are primarily to assist low- and moderate-income persons, expand economic development opportunities, and provide decent housing and/or a suitable living environment. Each program year, the County as lead agency of the Urban County holds public hearings and accepts funding proposals for CDBG funds from public and private agencies/entities within a deadline established annually. All eligible proposals are reviewed by a Project Review Committee and a recommended budget is presented to the Mobile County Commission for review and final action. The Commission considers proposals based upon eligibility criteria set forth in the Federal regulations promulgated by HUD, the extent to which proposals address the priorities and support the goals established in the Consolidated Plan, and how the proposals fit into the availability of formula grant funds. After consulting with the community and stakeholders in 2019/20, the 2020-2024 Consolidated Plan was developed. The Plan includes the following CDBG Priorities, which will serve as the basis for review of program year 2021 applications, and in finalizing 2021 funding decisions.

- Public Facilities and Infrastructure
- Demolition and Spot Blight Clearance
- Homelessness Prevention
- Public Services (subject to 15% cap of the annual grant)
- Fair Housing
- Homeowner Housing Repair Assistance
- Homebuyer Assistance

HUD has not announced the 2021 program year funding allocation for Mobile County, however we anticipate level funding from 2020 for the Community Development Block Grant and Home Investment Partnership (HOME) Programs:

Community Development Block Grant (CDBG)	\$1,622,148
Home Investment Partnership (HOME)	\$580,826
Emergency Solutions Grants (ESG) – If Awarded	\$ NA

Of the amount awarded, Mobile County Commission proposes to deduct for program administration, planning, and program costs as allowed.

In anticipation of the 2021 funding, Mobile County Commission is accepting applications for the Community Development Block Grant program. Applications for the HOME Program are accepted in accordance with request-for-proposals published on the County's webpage on an as-needed basis. Applications for the Emergency Solutions Grants Program will be announced, if funding becomes available.

Neither this request for applications nor the acceptance of any application shall imply a funding obligation to any applicant. Submitting a request does not guarantee funding. The County, its elected officials, employees, and agents shall not be held responsible or liable for any losses incurred from claims, suits, damages, costs, and expenses of any

kind or of any nature that any proposing entity may suffer, incur, or pay arising out of decisions by the County concerning any proposal, application, or action(s) associated with the administration of any HUD programs.

This Application Package is to request Community Development Block Grant (CDBG) funds for Capital Projects. There is a separate application package for Public Service activities.

## WHO MAY APPLY FOR CDBG

A governmental unit that is a member of the Mobile Urban County, a for-profit business that wants to implement economic development, and an incorporated not-for-profit agency capable of undertaking approved programs that serve persons who reside within the geographic designation of the Mobile Urban County, namely City of Bayou La Batre, City of Chickasaw, City of Citronelle, City of Creola, Town of Mount Vernon, City of Prichard, City of Saraland, City of Satsuma, City of Semmes, and the unincorporated areas of Mobile County may apply for CDBG.

Please note Federal guidelines require that funds be spent in a timely manner. Therefore, funded programs will need to be underway and all funds expended within twelve (12) months of execution of an agreement with the County, otherwise funds may be deobligated.

## ELIGIBILITY AND NATIONAL OBJECTIVES

A guide for eligible activities can be found in Basically CDBG for Entitlements at <https://www.hudexchange.info/resource/19/basically-cdbg-training-guidebook-and-slides/>. Please note: to be considered for funding, the proposed activity must be consistent with the 2020-2024 CDBG Priorities for Mobile County (as noted above). These priorities will serve as the basis for review of program year 2021 applications and in finalizing 2021 funding decisions.

A proposed activity must be eligible and must meet at least one of the national objectives mandated by HUD. The three national objectives are: 1) Benefit to low- and moderate-income (LMI) persons; 2) Aid in the prevention or elimination of slums or blight; and 3) Meet a need having a particular urgency (referred to as urgent need).

The LMI national objective is often referred to as the “primary” national objective because the statute requires that the Mobile Urban County expend 70 percent of its CDBG funds to benefit LMI persons. Low- and moderate-income persons are persons with household incomes that are at or below 80% of the median family income for the Mobile Urban County Area (as adjusted by the number of persons in the family). **Income limits for 2021 are anticipated to be released by HUD on or around June 2021.**

Current income limits for 2021 are based on the 2020 HOME Income limits, effective July 1, 2020:

Family Size →	1	2	3	4	5	6	7	8+
80%	\$34,401	\$39,301	\$44,201	\$49,101	\$53,051	\$57,001	\$60,901	\$64,851

(These limits are subject to change annually.)

Capital projects must benefit low- and moderate-income persons, be located in an area that is predominantly (51%) inhabited by low and moderate-income residents (i.e., Low Mod Area - LMA) as shown in HUD’s mapping tool at <https://hud.maps.arcgis.com/apps/webappviewer/index.html?id=ffd0597e8af24f88b501b7e7f326bedd>. To determine eligibility of projects that are not located in a LMA, a door-to-door survey may be required.

### Ineligible Activities:

- Acquisition, construction, or reconstruction of buildings and land for the general conduct of government
- General government expenses
- Political activities

- Purchase of equipment, furnishings, and other personal property that are not affixed to building structure
- Operating and maintenance expenses
- Construction of new housing
- Income payment

**CERTIFICATION REGARDING SECTION 504 OF THE REHABILITATION ACT OF 1973**

Section 504 of the Rehabilitation Act of 1973 prohibits discrimination against persons with disabilities in the operation of programs receiving Federal financial assistance. HUD regulations implementing Section 504 contain accessibility requirements for new construction and rehabilitation of housing as well as requirements for ensuring that the programs themselves are operated in a manner that is accessible to and usable by persons with disabilities. Both individual units and the common areas of buildings must be accessible under Section 504.

Section 504 states that "no qualified individuals with a disability in the United States shall be excluded from, denied the benefits of, or be subject to discrimination under" any program or activity that receives Federal financial assistance. Requirements common to these regulations include program accessibility, effective communication with people who have hearing or vision disabilities, and accessible new construction and alterations (See 24 CFR Part 8). Further information concerning compliance with any of these requirements may be obtained through the HUD web page: <https://www.hud.gov/programdescription/sec504>.
